

Membership

NEMIC Membership connects you with Southern New England's thriving Med Tech ecosystem and network of professionals supporting the commercialization of the next generation of medical technologies.

As a member, you will have access to resources, support, a network, and advisory services to best sustain the success of your Med Tech venture or idea.

Who Benefits From Membership?

NEMIC Membership best supports Med Tech focused startups, entrepreneurs, innovators, students, physicians, consultants, service providers and companies with 99 employees or less.

Don't fit into any of these categories? Check out our sponsorship opportunities online at www.nemicenter.com/sponsorship

Membership Benefits

Enhance Your Capabilities

What's the difference?

Understand which Level is right for you.

We have curated two distinct offerings of NEMIC Membership, to provide unique value to a variety of people within our local Life Sciences Ecosystem.

CO-WORKING MEMBERSHIP

is designed to benefit Entrepreneurs, Innovators, Industry Professionals, or even Students who would benefit from our office space, as well as our industry connections.

CORPORATE MEMBERSHIP

is designed to benefit Service Providers, Companies, and Organizations who work in the variety of sectors across our Life Science ecosystem; such as legal, finance, marketing, and countless other service sectors. All of whom support and facilitate the development of entrepreneurs.

Register for Membership
